

The Gantt chart displays a project schedule with tasks organized into two main phases: ETAPA 1 and ETAPA 2. The left side of the chart lists tasks with checkboxes and dates, while the right side shows the corresponding Gantt bars and dependencies. A red vertical line indicates the current date. The bottom of the chart includes a summary table with columns for task name, status, and dates.

Task Name	Status	Start Date	End Date
ETAPA 1	Completed	2023-01-01	2023-01-01
ETAPA 2	In Progress	2023-01-01	2023-01-01
